In Light of September 11th

We sit in history class five days a week not really understanding how any of it applies to us. On September 11, 2001 the students of Lincoln High School and the rest of the United States witnessed history in the making. Toward the end of first hour and throughout second period that terrible Tuesday, teachers and faculty allowed students to watch the breaking news or listen on the radio.

"Attention America, this is a breaking news update." A plane had crashed into one of the towers of the World Trade Center. The people of New York were in a panic! Within the hour another plane crashed into the second tower. The two crashes led to the crumbling and destruction of the two most famous skyscrapers in the world.

The eyes of millions were glued to televisions in shock and disbelief. Pictures of the terrorist event will forever be etched in our minds--the innocent bodies falling through the sky, the smoke rising through the air as the towers hit the ground. The brave firemen going back to keep looking for survivors and falling tears of those who lost loved ones.

September 11th, the events that occurred, and the aftermath, are going to become a whole chapter in our history books. Our children and their children are going to be tested over this tragedy that we all lived through.

As our eyes glance over the faces of those we know and those we do not, in these pages, we are reminded of how precious life is.

Written by: Amanda Masker

In Loving Memory...

These pages are a tribute to the thousands of people who lost their lives on September 11, 2001. Our love goes out to their friends and family. Thank you to the many firefighters and police officers who risked their lives to save the lives of others. You are our heroes.

Shawn Stubbs

"I was very surprised. It was a very great tragedy, I could not put it into words. I was horrified."

"I was amazed and shocked at the way students reacted to it. They took it as a threat to themselves."

Ms. Thorpe

Aricka Brown

"It was sad that all those people had to die that way."

"It was a shocking situation. I called my wife and told her that Osama Bin Laden had finally got his way."

Coach "Q"

Bret Decker

"It was bad. I do not understand how people could get away with doing that for a religion."

The Graduating Class of 2002...

In August of 1998, about 600 15 year-olds packed into the stuffy Lincoln Auditorium for Freshman Orientation. Most of them had just had their braces taken off. Most were trying hard not to claim that they had been dropped off by their parents. The room buzzed with anticipation. The girls were sizing up the girls, the boys were sizing up the girls and everyone wondered what the next few years would be like. Would the class be close like the ones we grew up watching on sitcoms like "Saved by the Bell," or would they find romance like in "Grease," and who would throw the first big party like in the movie "16 Candles?" All these thoughts came to a halt when they heard Mr. Graziano's voice saying, "Welcome to Lincoln High School, class of 2002."

Four years have flown by since then. And here we are all together, but instead of having 600 seats full of students eagerly anticipating the next stage in their lives, there are only about 400 graduates remaining. And instead of being introduced as the Class of 2002, we should be presented as the survivors of the Class of 2002. Sure, we've survived the many personal hardships that come with growing up: first loves, friendship fights, cramming for exams, and discovering, whether you like it or not, yourself.

But even more so, we survived, as a class, the many curves that Lincoln threw us. For example we survived the bomb threats of our freshman year. Who could forget Mr. Redwood, or sitting on the football field waiting for the school to explode. We survived the time changes. Yes, our class successfully woke up 10 minutes earlier and stayed 15 minutes longer at Lincoln. We not only survived all the required classes, but did it when it was so hot a fan couldn't make one bit of difference. Together we all watched as our upperclassmen idols, who always seemed so perfect and mature, moved on and suddenly we became the big kids.

After all that, here we are, 4 years older and wiser. And hopefully, for one last time, treasuring every lifelong lesson we picked up along the way. The survivors of the class of 2002 never could have made it without the love, guidance, and understanding many teachers gave, or without the unconditional support of our families. For all this on behalf of the class of 2002, Thank you, it will never be forgotten.

To the survivors: Congratulations, it's time to move on. Do so with the strength that you've received from one another, and when you look back in 10 years, to reminisce of the times when life was easy, be proud of all you've done, you survived Lincoln High School and the class of 2002.

Get up and go day!!

Students did not care what they looked like today. They just rolled out of bed and came to school to fit this spirit day.

Red, White and Blue Day!!

Students were patriotic on red, white and blue day. Also, the seniors made "Senior Babe" shirts to wear throughout the week.

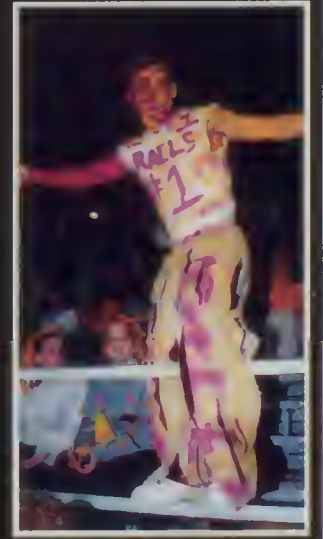

Deca sold hawaiian leis which many students wore on this spirit day of the week.

Spirit Day is one of the best days of the year as students show their love for LHS.

Sweatshirts, face paint, pant designs...That is what spirit day is all about.

Face first into the future

There was conferences this week, so we only had to attend school for two days! Conferences were on Wednesday and Thursday of this week. Friday was a teacher meeting for the staff. That next Monday, we also didn't have school. Some other conferences were going on that week, instead of grades this time, it was how fast you can run. The cross country team ran at Hoover High School on Tuesday. Swimming also started up and the meets were already going on. There was a girls swimming meet on Monday against North and Indianola, at Lincoln at 5:30p.m.

Above: Seniors Miranda Marshall and Shelby Minard worked hard selling baked goodies during the conferences, such as homemade cakes, cookies, brownies, and pies.

Top 4 things to do during conferences week

1. Sleeping in.
2. Going out on the week nights.
3. Going shopping during the day.
4. Going on road trips.

Far left: As Mr. Van Dyck talked with one of his Biology student's mother, he looked up just in time for the picture. He really was trying to find people to come out for track.

Right: Senior, Danielle Lanphier smiled because she knew she passed all her classes. Danielle helped out at Conferences, handing out letters to parents that told them about After Prom.

Far right: Mrs. Shlack stood next to Sophomore Allison Bash thinking about how she would make a good speech student and a great Ambassador for next year at Lincoln.

Although the Varsity football team had a rough season, they continued to play the game they loved with all their hearts. They worked hard and never gave up. The Freshman and Sophomore teams both won 5 and lost 4 games.

Our volleyball girls were awesome this year. The team tried their hardest at all of their tournaments and that hard work paid off at one of the biggest competitions. They had never placed higher at this Cedar Rapids tournament before. They placed first in the silver bracket!

The boy's cross country team had a great season as always. All of the runners improved a great deal from the beginning of the season. They did an awesome job at their city conference, receiving second place.

The girl's swimming team did exceptionally well during their season.

The girls placed second at conference for the second year in a row. They also broke the 200 free relay record. All of their hard work paid off in the end. Our own Micheala McGivern dived her way to state, making it to finals.

The girl's cross country team had an awesome season. The team won at the East Invitationals against five other difficult teams! They also received second at their conference. Two runners came close to qualifying for State.

The boy's golf team was outstanding this year. Every one of the golf players improved a great deal during the season. Their Invitational in Ames was cancelled due the tragedy that happened on September eleventh. A meet in Ottumwa was also cancelled. But overall the golfers had a great year.

November

Thankful for America...

November was a dramatic month. An thrax entered the midwest infecting people as close as Kansas City. The world continued to remain aware of the terrorist acts, but tried to go on with normal everyday life. The drama department produced the "The Crucible". It was a hit! State Individuals for the Railettes took place in Pella and swimmers finished their season with a victory at districts.

Clockwise from top: Freshman Susan Gilmer, Sophomores Tereca Johnson and Kristina Cox, and Senior Christy Adrianse broke the 200 relay school record at swimming districts.

THE CRUCIBLE

By Arthur Miller

Top Left: Mercy Lewis and Abigail Williams, played by Seniors Jenna Croft and Julie Ambrest, attempted to wake Betty Parris, played by Senior Jamie Davidson. **Top Right:** Thomas Putnam, played by Junior Branden Oliver, looked on as his wife, Ann, played by Senior Whitney Ross, gave Reverend Parris, played by Junior Joe Dauterive, a piece of her mind. **Above:** The girls of Salem, led by the mysterious Tituba, played by Senior Bettina Ounlokham, conjured spirits in the woods.

"The Crucible", presented by The LHS Drama Department on November 2nd and 3rd, was an intense drama depicting the Salem witch-trials of 1692. The play was an appropriate choice, considering the similarities between the troubles our nation is facing and those of the characters in the play.

Top of Page: Abigail Williams waited patiently in the woods for John Proctor, having some very "un-puritan" thoughts. **Above Left:** John and Elizabeth Proctor, played by Michael Simmer and Ellen Gilmer, comforted each other as Elizabeth was taken away to jail. **Above Right:** While being questioned in court, the band of village girls pondered about their lies that had gotten a little out of hand.

BACKSTAGE PASS

Above: Rebecca Nurse, played by Senior Staci Harper, helped to ease Ann Putnam's mind by assuring her that everything will be alright.

Top Right: John Proctor hung his head in despair as he tried to protect his wife from being accused a witch.

Right Middle: Ann Putnam explained to Rebecca Nurse, Reverend Parris, John Proctor, and Giles Corey, the horrifying tragedies of her life.

Right: Abigail Williams attempted to seduce John Proctor with her charms.

Left: Junior Travis Churnis got the finishing touches on his beard from a drama assistant, Mr. Kirby.

Right: Freshman Ashley Sereg and Junior Megan Shipley took a much needed break from their work backstage before the show began.

Left: Junior Jane Thompson prepared her gorgeous self for her dramatic debut as the lovely and graceful Sarah Good.

The BLH executive meeting was held in the library Tuesday night at 6:30. The prom committee had a meeting this week and on Saturday they examined Hotel Fort Des Moines to decide on decorations for prom this year.

Right: Mrs. Angell's advocacy group met in her class where they ate donuts and discussed diversity.

Above: Mr. Dockstader's advocacy group met in the library where they discussed and rememered the events of September 11th.

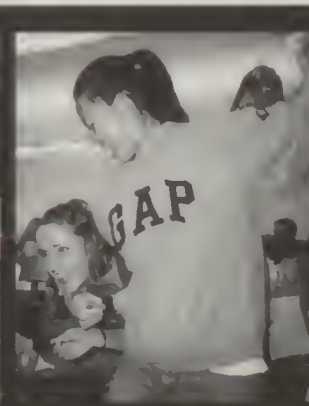

Right: Sophomores Stephanie Chelleen and Samantha Soroka took a break at a basketball open gym.

Left: Seniors BriAnne Jorgenson, Rosanne Caliguri, and Ana Mason picked up their senior memory items in the auditorium.

Right: Mrs. Else played the piano as Show Choir practiced for their performance on Friday and Saturday.

With warm weather in the middle of November, students unpacked their capris, shorts, and t-shirts. It seemed odd to be having the Winter Kick Off in seventy degree weather. The kick off was held Friday night in the Roundhouse. Each fall activity was introduced by their coaches. Clubs and teams practiced for upcoming games this week as well.

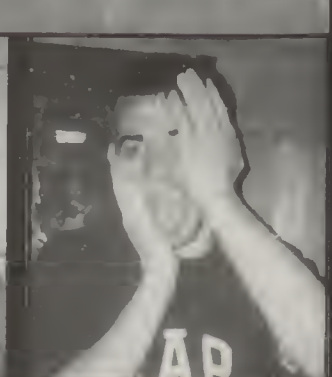

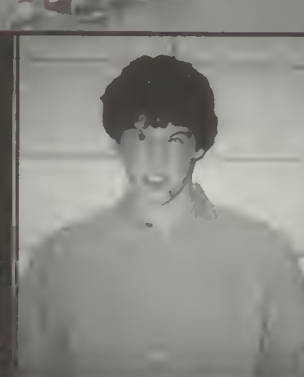

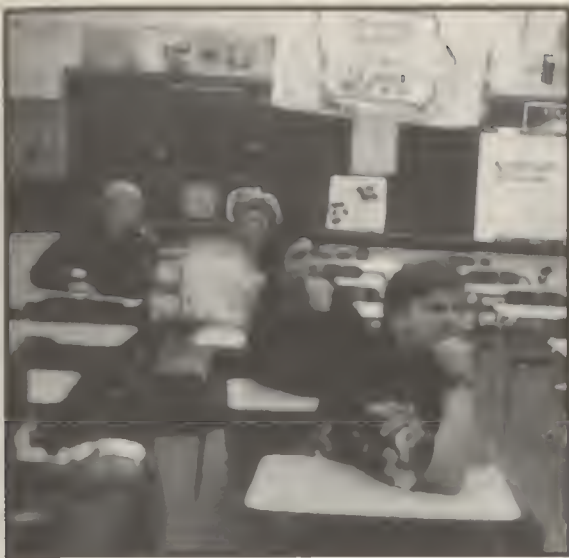

Clockwise from the top: The Rallete white squad performed their military dance at the winter kick off.

The drum line showed off their talent while they pumped up the crowd at the Winter Kick Off.

Wrestlers lined up in the roundhouse as they were announced. Sophomores Samantha Soroka and Amy Nichol goofed around before their scrimmage.

Students couldn't have asked for a better week--three days of school and nice weather. Monday was the final day first periods could collect Coke Caps. Mrs. Chartier's class won the competition. Monday was also when the National Honor Society inducted 39 new members. A banquet was held to celebrate the students the induction. On Wednesday, Student Council and SADD sponsored the Senior/Faculty volleyball game. Teachers proved that they had some game too. After it was finished, students left 20 minutes early. The rest of the week was spent with family members and enjoying time off from school. Saturday, the girls basketball teams started their season with games against Newton. The sophomore team won and the third ranked varsity team won 82-42.

December

Tis the Season...

Christmas was right around the corner. Students were trying to get into the Christmas spirit even though there was no snow on the ground. 'Tis the season...

Students began to anticipate winter break with only a few weeks before Christmas. The vocal music and winter orchestra concerts got everyone in the holiday spirit where students displayed their musical abilities. There was a pep assembly Friday to introduce the fall activity participants and to pump up the school for the game that would be held later that evening. The basketball court heated up while the weather was cold outside, when varsity teams faced Ames High School.

Top: Students piled on the bleachers in the Roundhouse for the pep assembly Friday.

Above: Seniors Janelle Tomlinson and Tia Bernard and the rest of the varsity cheerleaders lead the school in the fight song to get the student body pumped up for that evening's varsity basketball games.

Left: The girls varsity basketball team lined up in the Roundhouse as their names were called during the Friday afternoon pep assembly for the fall activities.

Left: Juniors Brooke Wilson, Jenny Baccam, and Evita Devan did a little pre-holiday celebrating after putting up the Christmas tree and exchanging gifts at Brooke's house over the weekend.

Left: Junior John Warming concentrated on every note while he played his violin at the Winter Orchestra concert that was held in the auditorium.

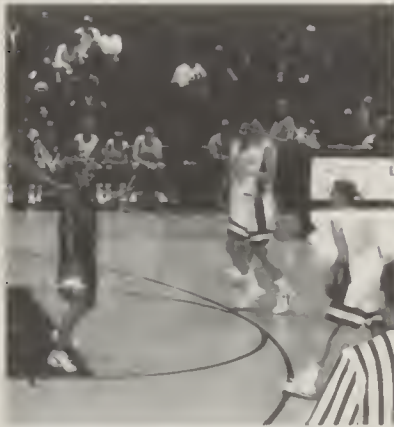

Right: Senior Josh Powell waited for the rebound while being surrounded by two other Valley opponents.

Bottom left: Seniors Ashlee Obrecht, Greg Raleigh, Miranda Marshall, and Diane Jones got prepared to sing for the vocal music concert. Below: The Lincoln drumline set the mood for the assembly by playing "YMCA" as the students took their seats on the bleachers.

Right: The varsity-gold rallette squad got down during their Janet Jackson remix dance that they learned at camp last summer.

Right: Senior Staci Harper gracefully played her cello for the orchestra performance that was held Wednesday in the auditorium.

December

'Tis the season...

The week was filled with many Christmas parties, students looking forward to the long Winter Break. Schedules were busy with many activities going on. Monday, the band held the annual winter concert in the auditorium. Tuesday, the boys and girls basketball teams took on Urbandale where the girls incredible winning streak continued with a 55-55 victory. The boys swim team also blew East out of the water, winning 108-62. Many clubs adopted families for the holiday season and went caroling. Thursday was the last day of school for the 2001-2002 school year, and the girls basketball team took on Johnston.

LHS...A Tradition of Excellence

The over 2,200 students at Abraham Lincoln High School continued to make us proud of their achievements during the 2002-03 school year. Each class during Lincoln's 79 year history has contributed to extending the pride and deep rooted tradition of this southside institution. Many noteworthy highlights occurred this year and it is with pleasure that I mention a few of them.

Academic excellence was once again the cornerstone of our school, and serves as a focal point of pride for the entire Lincoln community. There were several indicators of excellent achievement and included: 287 students were awarded academic letters, 73 students participated in the National Honor Society and 33 students were recognized through the National Youth Leadership program.

Special student talents were showcased through a variety of activity programs. Drama and debate once again performed at very high levels of quality. Lincoln's band, orchestra, and show choir all received top ratings in various competitions throughout the year.

Athletic opportunities were available in 19 different sports. The softball team of 2001 were State Champions for the second time in three years. Our wrestling team finished as conference champions and two seniors – Travis Snover and Dan Zepeda – were crowned as state champions. An enthusiastic student body and community support continued to serve as a basis for even greater success in the future for Railsplitter athletics.

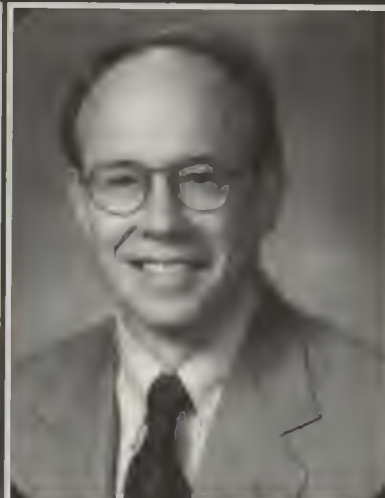

As principal of our state's second largest high school, I want to congratulate the senior class for leaving a positive mark on Lincoln High School. To our students who will be returning next fall, please remember the high expectation that you must uphold over the next school year.

Faces of the new year...

It was the first full week of school after break, and students were beginning to cram for finals. The Varsity girls basketball team defeated Dowling at a nail biter of a game rating them #1 in the state. The Show Choir began their competition season in Cedar Rapids, the boys swim team gave it their all at their meet at Hoover, and our Academic Decathlon team had a victory at Roosevelt.

Clockwise from top:

Seniors Rob Walk and Wade Green relaxed in the library during their open period over lunch.

Mrs. Felice's freshman English class quietly reviewed for their tough final they would be taking the following week.

Seniors Whitney Ross, Linda Sayavongchanh, Joanna Be, Sarah Cooper, Janelle Tomlinson, and Diana Sterbick had a great time at the boys varsity game against Dowling as they cheered them on along with the rest of the crowd.

The varsity boys called a time out in the middle of an intense game against Dowling to regroup and discuss a couple new plays they would put in their offense.

Senior Ashley Chelleen tried her best to block the defense out, just in case Senior Linda Sayavongchanh might miss.

Senior Ashlee Link and Sophomore Whitney Holmes finish the final touch ups on their hair and make-up in Mrs. Nigros room before heading to class.

English students pretended to read their free reading books in class, just before taking a nice long nap.

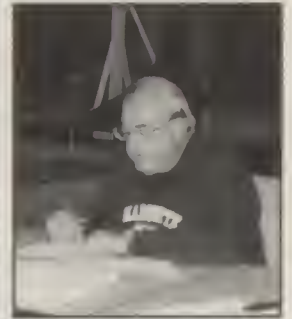

Top Left: Senior Jenna Croft put her hair on the line as she decided to trust her good friend, Senior Christy Adrianse, to put curlers in for her show choir competition the next morning.

Below: A few of the Infinity men decided to lounge around before they began to prepare for their show choir competition.

Faces of the new year

Finals week was in progress. Friends got together to help each other study and pass their tests. Students were excited for new classes in second semester. Everyone looked forward to the end of finals week because of the three day weekend. The following Monday was Martin Luther King day and there was no school. January graduates were very excited because they did not have to attend school second semester. The new semester not only brought new classes with new teachers but it also brought lots of snow. The temperatures stopped being warm and it started to feel more like winter.

Above: The students in Ms. Pace's study hall reviewed and studied for their finals together.

Above: Senior Eric Volght was studying for his finals in the library.

Above: Senior Cassie Baker and junior Andrea Countryman worked on Mrs. Phillips final in the Advanced Painting and Drawing class.

Senior Gabbie Kish said "I try not to study too much and bring coffee for all my teachers."

Senior Kristine Schneider said "I get all the information I can and get my teachers to help me study."

Senior Janelle Tomlinson said "I meditate and repeat the ancient chant "rah rah sis boom bah" to cleanse my mind and spirit."

Senior Diana Sterbick told us "I prepare by reviewing my notes and studying briefly."

"I actually didn't plan on playing basketball, when I was in 4th grade my gym teacher told my parents that I should play because I was athletic, so they started to send me to summer camps"
- Linda Sayavongchanh

"This season was really fun for me because of our team, everyone was so unique and they all brought something new to our team."

"The best aspect of this entire year was being on top. We were rated #1 in the state and #7 in the nation and it was a really great feeling. A lot of people told us that without a doubt, we were the best team to come through Lincoln and that makes us all very proud."
- Ashley Livingston

"Most of all, I'll miss my teammates and all the fun and crazy times we had together, when you're together as much as we've been, on and off the court, you don't really know what you had, until it's not there anymore."
- Whitney Ross

"The most memorable moment of the year for me, would have to be, in the locker room before our games at state, we would always sing 'Ain't No Mountain High Enough', to pump us up and get us ready. That is something I'll never ever forget."

Faces in love....

Hard work pays off, right? This proved to be true for Lincoln wrestlers. Members of the team worked hard all season long with one goal in mind. Seven guys got a taste of that goal. Brandon McDonough, Joey Culver, Doug McCool, Travis Snover, Justin Vasey, Dan Zepeda, and Dan Hamm traveled to Vets to compete in the state tournament. McDonough placed third and Snover and Zepeda were crowned champions in their weight class. After that, school was in session for only two days, due to conferences and teacher in-services. On Monday, the boys basketball team took the court for a game against Dowling.

Finding the bright spots...

Only five days were left until Spring Break and students could hardly wait to get out of here! This week was very special as we celebrated Unity week. Tuesday morning we all attended an assembly that contained great speakers, singers, and dancers from different ethnic backgrounds. Our very own Railway cafe was opened all that day selling lots of cappucino and desserts. Members of the orchestra, band, and choir performed at the cafe. There was also a display put on by the art department and presentations were made by some of the drama students. The Railettes and cheerleaders held their tryouts for next year's squads Tuesday night at Weeks middle school after a week of learning the two routines. Everyone looked forward to Friday because salsa lessons were being given throughout the entire day. Students also returned home from Florida after going on the Earth Shuttle trip.

Welcome to a place that was definitely not heaven. From Room 28, 18 of us including our advisor, Cynthia Sayles, produced this book. Angela Antenucci, Kate Evans, Zsanette Palmer, Britni Stevens, Amanda Test, Megan Zeller, Kristin Williams, Ana Mason and Chelsea Chiovaro made up the chronology groups. They went out weekly and snapped photos of what was happening in Lincoln life. Alicia Klein, Heidi Johnson, and Jessica Breese put together the sport section while Joanna Be produced the group section. Janelle Tomlinson helped with features and worked very hard on our cover. Stephanie King and Amanda Masker were a big help as they joined second semester. Our editors, Ashlee Link, Kami Kauzlarich, and Diana Sterbick proofed pages and worked on many feature pages themselves. A lot of hardwork and dedication went into putting this together.

ART is COOL!

What's your favorite part about art?

"I work hard, but it's very relaxing and laid back, I love it!"

Senior Char Sucik

"The best thing about art is that you're allowed to express yourself in ways you couldn't normally."

Junior Darrell Nelsen

"My favorite part about art is drawing and Mrs. Phillips!"

Sophomore Alyssa Dowd

"Tippy drawings and Mrs. Phillips!"

Junior Adam Djordjevic

"Drawing, painting, making things with clay."

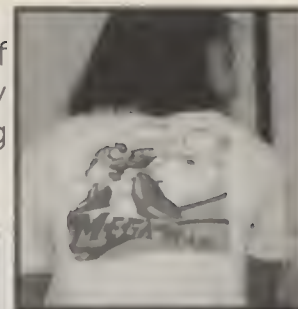

Freshman Jonathon Cross

Mrs. Phillips' and Mrs. Brown's art classes work diligently all throughout the year to produce the creative works of art that are randomly displayed in the hallways of Lincoln. These students are extremely talented and deserve to be commended for their work in decorating the halls!

All art students have fun while they're painting and for many of them this could end up as their future occupation. The majority of them said that their favorite part about art class was drawing and just letting themselves get lost in their art work.

Art classes work on calligraphy and watercolors along with other challenging projects that bring out the creativity in all of us!

Hey
baby,
where
has the
time
gone?

Just yesterday you were learning to tie your shoes.
And in May you received your diploma. Face first into the
future baby and Godspeed from those who love you.

The baby section begins...

Brian Greiner

Brian,
You've come a long way since that first day of kindergarten and we couldn't be more proud of you!
Keep up the hard work and the future will hold great things for you.
Love, Mom, Dad, Brad, Andrew and Robbie

Zachary Guffey

Zach,
Congratulations, we are very proud of you. You have so much going for you. We know you'll succeed in whatever you choose to do.
Love you,
Mom and Dad

Cassie Marie Reece

You've grown-up to be a wonderful charming, enjoyable, loving, caring and compassionate woman. You've brought so much love and joy into over lives. We are proud to be your parents. Thank you for your obedience, trust and love. At times I know that was difficult to give but you did. Your father, Dennis, I know is very proud of you. I know he is grinning from ear to ear. He loved you so much as we all do. I will never forget the look of love and honor in his eyes each time he would look at you. Remember, God loves you and cares when no one else does. We love you Cassie.

Jenna Croft

Sooo, Jenna--no more days to count down until graduation. It has finally arrived! Seems like only yesterday you were a 3-year old, dancing on top of the picnic table and singing "My country 'tis of thee..." Now, onward and upward! We are extremely proud of all your accomplishments and the amazing young woman you have become. Parenting you has been a joy. Thanks for making it so easy! The world is waiting daughter, go forth and conquer!

Nicole,
From the time you were two, if Mom or Dad would ask something of you, you would always say, "I just Did!" If a parent could only ask for their child to grow up to be responsible, caring, to love life and to follow their dreams and be the best person they can be, we can now say, "you just did!"

We are so proud of you and love you so much!

Love,
Mom and Dad

Chelsea--
It's hard to believe our little star dancer is ready to take on the world. Your eagerness to learn and competitive edge will lead you to success! Whatever you decide to do in the future, we'll support you 110%! The field is wide open, however, we suggest something in the medical field or law. This would make us VERY happy! Seriously, we are so proud of you that words can't describe it. You know that our door will always be open for you, no matter what. Just make sure you don't surprise us with grandchildren too soon. We will not raise grandchildren. We won't tolerate it! We love you Chelsea. You've grown into a beautiful, thoughtful and intelligent young lady. We're truly proud parents!
Mom and Dad

She was the 1st granddaughter born after 5 grandsons. She has been a very special person since she was born. She became an independant person at an early age. She is still independant and what ever may come at her--good or bad, she is able to make good decisions. She is a wonderful bowler and she is willing to help others in solving other people's problems.
Love-- Mom & Dad

We fell in love with you the first moment we saw those two big feet. A love more intense than you can imagine. Since that time you have managed to charm, astound, unnerve, shock, flabbergast, amaze, alarm, dazzle, amuse, delight and exasperate us. For the past three years you have told us that you are practically an adult. It is so true. So, Go get'em tiger!
We love you forever--

Katie--
Wow! It doesn't seem like 17 years ago that a beautiful baby joined the Moyer family. That baby girl can be proud of her accomplishments--just as her grandparents are of her. Our advice for the graduate: Keep your eyes on your goals and work hard toward them.
Best wishes and love

Kathleen Moyer

Katie--
Success is more than having made it...it's being happy with what you have made and feeling proud of how you went about making it. You've never been afraid of the big challenges and that's what makes us so proud of you. From trying to roller skate to flying an airplane, we knew that you could do it all! You hold a bright star in your hand and with that and your enthusiasm you will go far.

What a terrific joy it has been watching you gain life's experiences and learning how to deal with them. We know that you have outgrown the costume, but you don't need it anymore. You are a Super-Girl in the expressions of your understanding of others, your sense of humor and your love of life. Super powers won't be needed because you can reach the stars without them!!! May the future hold many wonderful experiences for you.

Graduation is a time for feeling very proud,
For thinking lots of lovely thoughts and saying them out loud.
It's a time for feeling love about to overflow, and just before it leaps its banks, to let the loved one know.
And so we are very proud of you for being who you are, for making something of yourself, for making it this far. We are proud because we are a part of everything you do. This time's the time to say how much "Love we have for you."
You're the best...

Shannon Stimple

For years you've had nicknames that you've been called. Baby Woodstock and Tooter, we won't list them all. No longer the days when you would sit with your dolls. You now have Rocky, CD's and endless phone calls. You've grown up a fine young lady and you make us proud. You will always be the one who stands apart from the crowd.
So good luck to you my dear, you'll do just fine. But look at your diploma and make sure it's signed.
Dad, Mom and Austin

Danielle Zenor

Danielle,
We are so very proud of what you have become and of what you will become. We love you very much and good luck in all you do. We'll be behind you every step of the way. Now is your time to shine and may everything great come your way...Congratulations! You've made it. Love always-- Grandma, Dad and family

Vanessa Nicole Claybrook

You are very bright, funny and you have a great laugh. You've had a wonderful senior year and we have enjoyed watching you in Show Choir the past two years. Our late night talks have meant a lot to me. Remember we'll always love you. Mom, Dad, Jessica and Hilary

Andrew Wieskamp

From the last few yards of the cross country 5k, to the soccer field--playing way beyond your age, to the summers at Boys State and the many camps, to all the classrooms and grades, to the Robotics lab at Central Campus, to all of the fun and achievements of the past four years--we are very proud of what you have done! After watching what you have done at Lincoln, we can't wait to see what you will accomplish at Iowa State and beyond. Love-- Mom, Dad & Ally

Staci Harper

Congratulations Staci, We are so proud of you! Your determination to excel is reflected in your accomplishments. Your enthusiasm for life and compassion for others are joys to be shared. Always listen to that music in your soul and leave time for just one more moon dance. Love-- Mom, Dad & Mike

Megan Sullivan

Dear Megan,
We all love you and your million dollar smile! We are proud of you. Keep the faith. Love and peace, Mom, Dad, Sarah, Becky, Isabel and Kelly

Whitney Ross

We have been so proud of everything you have accomplished, Whitney. You've given us many wonderful moments watching you perform through your high school years. Keep reaching for your dreams as your talents and determination will take you far. Remember to have fun in work and play. We are always here for you and wish you happiness as you go out on your own. Love, Mom, Dad and Brody

Stephanie Carter

Dear Stephanie,
We've watched you grow as if you were our own, from a newborn to an inspired model at 3, through many dance recitals and vocal performances. Today you are a wonderful young woman with many opportunities ahead of you. Trust in God and follow your dreams. If you should come across some of the storms of life, remember that He is always with you and with perserverance you will find a rainbow at the end. We love you and wish you well.
Uncle Steve and Aunt Kristi

Stephanie Carter

Congratulations on your graduation Stephanie. You've been a busy girl with all your activities. Singing, dancing, modeling, acting, piano, Railettes, flags and Show Choir...They're such a big part of who you are. Find a way to use your talents and keep on entertaining. You are my sunshine and I'm so-o-o proud of you.
Love,
Grandma Gilbert

Stephanie Carter

12 years, 10 months, 11 days, 5 hours, 27 minutes is our difference in age. You're blonde, blue eyed, 5'-7" and have a beautiful singing voice. I'm brunette, brown eyed, 5'-2" and singing isn't one of my talents. Even with all these differences, we share memories and family. I remember holding you as a baby. You following my friends and me around, watching your performances and dance recitals, you singing at my wedding and holding your nephews as babies. My favorite memory, watching you grow from a little girl into a beautiful young lady.
"We were sisters from the start, friends in our hearts."
Love--Angel

Stephanie Carter

To Our Beautiful Stephanie, You were only two when we were privileged to attend you first performance. There you were, standing on your footstool/stage, joyously singing into your hairbrush/microphone. Through all these years, your love of performing has never diminished. God has blessed you with many wonderful talents. You sing so beautifully and your love of dance shows in the way you express yourself. May you stay true to God and yourself as you follow your dreams. We're very proud of you Stephanie and we will cherish forever the memories you've given us. We Love You Immensely-- Mom & Dad

Justin Kincheloe

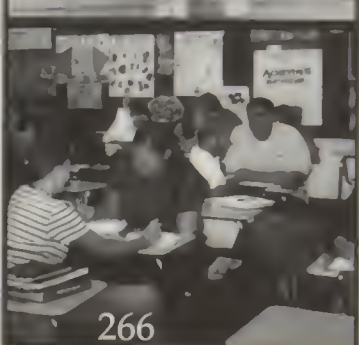

Playing with Legos and blocks taught you how to build a strong foundation and make good choices. Puzzles taught you to figure out problems. G.I. Joes and wrestlers taught you to fight for what you believe in. Your vehicles could take you wherever you wanted to go in life. Etch-A-Sketch taught you that your hands can design your future. If you don't like the path you're taking, shake things up and change your path. Cowboys taught you to hold your chin up and ALWAYS smile for Mom when she's taking your picture!
Love, Mom, Dad & Jessica

Sarah Welcer

Dear Sarah,
I love you and really like you. I find you so funny and witty. I hope you show the world this wonderful side of yourself. It is great to be a part of your life. You are and have been a joy to watch grow up. You have always watched, thought and then acted. Your very being has made my life richer. When you go to college, I hope you will find a great adventure opening up to you and you will feel free to fully embrace life.
Love--Mom

Another interesting year in publications is over. Second hour was always a whirl of activity with lots of laughter and of course a weekly resignation by Joanna (I quit) Be.

This chronological yearbook was created with commitment and dedication by students who functioned as small groups on a rotating publication schedule.

Britni Stevens, Katie Evans and Amanda Test were in group one and created stellar chronologies.

Joanna Be and Chelsea Chivaro were in group two and turned out creative and picture packed layouts.

Kristin Williams, Lindsey Mason, Anna Mason and Zsanette Palmer were in group three and presented their weeks with flair.

Angela Antenucci and Megan Zeller were in group four and worked diligently to design informative and creative layouts.

Heidi Johnson, Jessica Breese and Alicia Klein were the sports group and covered the season, shot pictures and designed creative layouts for each sport as the season unfolded. They had way too much fun.

Amanda Masker and Stephanie King joined us at semester and designed the administration and faculty pages and a good feature or two.

Kami Kauzlarich designed many features and proofed dozens of layouts and put together the entire underclass sections.

Ashley Link did lots of features and compiled the entire index from September through May. She proofed and linked dozens of layouts.

Diana Sterbick created lots of features and was responsible for the senior glossy section.

Janelle Tomlinson created the cover, shot and tiffed photos for weeks. She also designed features and drew caricatures on the back blackboard.

Joanna Be took on the group section all by herself and created other features too.

Chelsea Chiovaro turned out lots of chronologies as well as several features and rescued Joanna from doing the entire group section by herself.

Each group was responsible for a chronological layout every four weeks and individuals volunteered to take on features as they appeared on the ladder. Seniors really stepped up and created some great layouts.

The editors kept the staff focused on the theme and deadlines while working on their own layouts and additional tasks.

It was a fun and hilarious year. We wish a wonderful future for all our graduates. Do well in whatever you choose to pursue and enjoy your future.

FACES

of the future

Joe Mignano was our roving photographer for three years. He showed up in room 28 almost daily as he dropped off film and picked up new assignments.

Yearbook specifications:

Our yearbooks are 272 pages in length, printed on snow white 80 pound, gloss stock. The base ink is black with 16 pages in full color.

The cover was produced right here in room 28 and reproduced as a high gloss lithograph wrapped around a 12 pound board. The binding is sewn.

Hundreds of 35mm photographs were taken with a variety of cameras including two Canon EOS 630's using 200 and 400 ASA film. The majority of photos were taken by roving photographer, Senior Joe Mignano. Thanks Joe! The photos were flat scanned and manipulated through Photoshop 5.0.

We used Josten's Yeartech software program along with Pagemaker 6.5 to create the book.
